Report

If your bid amount is valid, and your user credentials check out, a bid for the property will be placed, and the owner will be alerted. If they accept your bid, you can then proceed to contract formation and payment.

Tip: If you find a fraudulent property, you can report it to the admin.

Contract Generation

Assumption: We are assuming that because the buyer has placed a bid and the seller has the control to accept/deny it, both parties upon proceeding for contract generation agree to the terms by default.
